SECTION A - SUPPLEMENTAL INFORMATION
ITEM: IGNITION CARTRIDGE M702
NSN: 1310-01-342-6874

1. This solicitation is being issued under the following terms and conditions:

- a. FAR Part 6.302-3(b)(v) - Restricted to United States and Canada
- b. Best Value Criteria as follows:
 - (1) Quality Control
 - (2) Production Capability
 - (3) Recent, Relevant Past Performance*
 - (4) Price
 - (5) Small Business Utilization

*Recent past performance, for the purpose of evaluating past performance, is defined as occurring from three years prior to the solicitation's initial closing date up until date of award. The offeror must submit all contract information (government, commercial, foreign military sales) that meets the criteria of the definition for "Recent". Relevant is defined as producing the same or similar items requiring the same or similar manufacturing processes, skills, and abilities. The offeror must submit all contract information (government, commercial, foreign military sales) that meet the criteria of the definition for "Relevant". The contracting officer reserves the right to determine which contract information is relevant, though the contractor may highlight those they feel best showcases same/similar processes, skills and abilities. The government reserves the right to evaluate data from all sources in the evaluating of past performance.

(NOTE: QUALITY CONTROL IS SLIGHTLY GREATER THAN PRODUCTION CAPABILITY; WHICH IS SIGNIFICANTLY GREATER THAN PAST PERFORMANCE; WHICH IS MODERATELY GREATER THAN PRICE; WHICH IS SLIGHTLY GREATER THAN SMALL BUSINESS UTILIZATION).

c. With First Article

d. FOB Destination (Note: The destination has not been determined at this time. When the LAP solicitation is award and the destination is known as amendment will be issued providing the destination for this solicitation. This will occur prior to bid opening).

<u>Status</u>	<u>Regulatory Cite</u>	<u>Title</u>	<u>Date</u>
I-1 CHANGED 52.217-6		EVALUATED OPTION FOR INCREASED QUANTITY	MAR/1989

- a. This solicitation includes an evaluated option (See Section M).
- b. The Government reserves the right to increase the quantity of item 0001 by a quantity of up to and including but not exceeding 150 percent as an evaluated option at the price(s) quoted below.
- c. If the Contractor does not quote a price hereunder, the lowest price offered/bid in the Schedule for item 0001 shall be the price used for evaluation/award of any option quantities. All evaluation factors identified in the solicitation will be applied to the option quantity for evaluation purposes.
- d. The Contracting Officer may exercise the evaluated option at any time prior to the last month production by giving written notice to the Contractor.
- e. Delivery of the items added by exercise of this option shall continue immediately after, and at the same rate as delivery of like items called for under the contract, unless the parties agree otherwise.
- f. Subject to the limitations contained in this clause, the Government may exercise this option on one or more occasions.
- g. Offered Unit Prices for the Option Quantities are:

	<u>Unit Price</u>
Evaluated Option (F.O.B. Destination)	\$_____

Varying prices may be offered for the option quantities actually ordered and the dates when ordered. In as much as the unit price for the basic quantity may contain starting, load, testing, tooling, transportation or other costs not applicable to option quantities, offerors are requested to take these factors into consideration while setting forth the unit price(s) for the option quantities. The option price is expected (but not required) to be lower than the unit price for the initial quantity.

SECTION L - INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

L-13 SUBMITTAL FOR EVALUATION FACTORS AND SUBFACTORS

Offeror shall provide a separate volume for each Factor addressing all relevant subfactors. Information must be submitted on a 8 1/2 X 11 inch standard paper stock, with one inch margins, in font Courier New 12 pitch. Offeror not submitting the information in the proper format may be considered noncompliant and deemed not eligible for award. The offeror must provide information in sufficient detail to allow the Government to make a Best Value assessment of the offeror's Quality Control, Production Capability, Recent, Relevant Past Performance, Price and Small Business Utilization.

a. Quality Control:

Quality System Plan: A description of the offerors Quality Control Plan. Sufficient information should be included to demonstrate how the offeror integrates production and technical aspects (production control, technical data, vendor control and data) to assure a quality product for delivery.

Technical Data Management: The offeror will be required to show how Technical Data discrepancies are managed and how corrective actions are initiated.

Production Problem Investigation and Resolution: The offeror will be required to show that their production control is capable of detecting production problems and how the problems are resolved.

Component Control and requirements flow-down: The offerors Vendor control plan must show a demonstrated ability to provide all requirements and to control vendor product, especially management of nonconforming materials and hardware.

b. Production Capability:

Information provided by the offeror, which demonstrates knowledge and ability to manufacture and assemble formed and machined components will be evaluated.

The offeror will describe the equipment, capacity, controls, loading and testing planned to support production. Emphasis should be placed on environmental controls for LAP operations and the pre-conditioning of components for LAP.

c. Recent, Relevant Past Performance: For the purpose of submitting proposals, recent is defined as occurring from three years prior to the solicitations initial closing date up until date of award. Relevant is defined as producing the same or similar items requiring the same or similar manufacturing processes, skills, and abilities. The offeror must submit all contract information (government, commercial, foreign military sales) that meet the criteria of the definition for "Relevant". The contracting officer reserves the right to determine which contract information is relevant, though the contractor may highlight those they feel best showcases same/similar processes, skills and abilities. The Government reserves the right to evaluate data from all sources in the evaluating of past performance.

On-Time Deliveries: Offerors shall provide information regarding recent, relevant past performance in the area of timeliness of deliveries. The offeror must provide information for deliveries made, deliveries scheduled-to-be made, and deliveries rescheduled-to-be made during the period of recent past performance. Include all supporting information for verification purposes concerning all these covered deliveries, even though this supporting information may precede the period defined as recent above.

Quality: Offerors shall provide information on their recent, relevant performance in the area of quality assurance, including quality assurance standards applied on recent, relevant contracts. The Government will evaluate all relevant quality issues that it discovers during the period of recent performance, regardless of when the actual delivery was made.

d. Price: The price will be evaluated in accordance with the terms of the solicitation (With First Article, FOB Destination, with a 150% evaluated option).

e. Small Business Utilization

(1) All offerors (small, large and foreign) are required to identify the extent to which the following small businesses and educational institutions will be utilized in the contract:

(a) Small Businesses (SBs), Veteran-Owned Small Business (VOSB), Service Disabled Veteran-Owned Small Business (SDVOSB), Small Disadvantaged Businesses (SDBs), Women-Owned Small Businesses (WOSBs), Historically Underutilized Business Zone (HUBZone) Small Businesses, hereinafter all referred to as SB; and

(b) Historically Black Colleges, Universities and Minority Institutions (HBCU/MIs).

Name of Offeror or Contractor:

(2) For Small Businesses, as identified by the size standard for the North American Industry Classification System (NAICS) Code applicable to this solicitation, the offeror's own participation as a SB or HBCU/MI is to be identified and will be considered in evaluating small business utilization.

(3) Small Business Utilization

(a) The offeror is to provide names, products/services and estimated dollar value and type of SB and HBCU/MIs who would participate in the proposed contract in the format below.

SB TYPE	ESTIMATED \$ VALUE	PRODUCT/SERVICE	COMPANY NAME
---------	--------------------	-----------------	--------------

TOTAL SB \$

(b) Large business offerors, where FAR 52.219-9 applies, shall identify the total subcontracting dollars.

(c) Realism - All offerors are to provide a detailed description of their methods used to promote and utilize small business, as prescribed by FAR 52.219-8, in contracts performed within three years prior to the initial solicitation closing date for the same or similar items:

(i) A description and available documentation of the methods employed to promote small business utilization, and;

(ii) A description of the internal methods used to monitor small business utilization.

(iii) Large business offerors shall document their performance, using information as prescribed by FAR 52.219-9 Small Business Subcontracting Plan., in contracts within three years prior to the initial solicitation closing date, for the same or similar items.

This documentation shall include their actual performance in utilizing SB and HBCU/MI contractors. The documentation shall include the final or most recent SF 294 for each relevant contract. If the large business proposes substantially different small business utilization than experienced on similar work in the past, they must explain how they will accomplish that higher/lower proposed level. Large businesses that have not had a contract in the past three years incorporating FAR clause 52.219-9, shall so state.
